HAMFEST EXPLORATORY COMMITTEE

- General Update
 - At the 10-03-2017 the ARCCC, Inc. members voted to create a Hamfest Exploratory Committee. The Hamfest Exploratory Committee met on 10-10-2017 and are currently working to obtain solid information on what it will take to host a local hamfest to present to the ARCCC, Inc. members at the November 2017 meeting.

HAMFEST EXPLORATORY COMMITTEE

- Also we encourage our members to be thinking about what it will take for the ARCCC, Inc. to host a local hamfest.
- Members interested are invited to download the ARRL Convention and Hamfest Planner to become more educated on the requirements of hosting a hamfest and to also help with generating ideas to support the hamfest.

HAMFEST EXPLORATORY COMMITTEE

- Quick Survey
 - How many are interested in the ARCCC, Inc. hosting the Augusta Hamfest?
 - How many members are willing to participate and dedicate a significant amount of time on a hamfest committee for the next year?

VE VOUCHER

- There has been discussion among a few of the VE Team members and various Club members to consider implementing a standardized VE Voucher to be good for a 1 year club membership.
- Since many obtain their license throughout the CSRA based on location and/or timing, it would be beneficial for those passing their exam to have the ability to pick the club that best serves them instead of being based on which test session they obtain their license.

VE VOUCHER

- This concept is only in discussions at this time and will be brought to the stakeholders at a later time.
- Stakeholders
 - CSRA VE Teams
 - CSRA Amateur Radio Clubs
- Once details are worked out, a presentation will be made and each entity's members will have to vote on the concept.

COMMITTEE UPDATES

- Directors should provide QUICK UPDATES on their committees
 - REMINDER:
 - All Committees should be coordinating meetings on their own with the Co-Directors providing updates at the General Meetings and issuing any requests for the members to vote on.
