I have 7 Rohn 55G sections and a single Rohn 20G section. The 55G sections have some surface rust and two of the sections have bent rungs at the ends that I've pretty well pounded out with a hand sledge. There's a base plate that goes with them and a few side clamps. Not a bad deal at \$125 per section. I'll be cleaning up the rusted sections in the next few months so the prices may be subject to change. Will consider swap offers on the 20 section and the 55G sections.

- I have a CS CS800, and a TYT MD-380 for sale. I am the original owner, have the boxes, manuals and programming cables. Currently they have the Beech Island DMR codeplug installed in both. I actually like DMR better then regular FM repeaters.
- Why am I selling, because I am not on that often, and can use some money for other projects.
- Both for \$325. If interested contact me and lets work out a deal.
