Bylaws Committee Update

- While preparing for the upcoming Board of Director elections, the Bylaws Committee identified two minor changes that are recommended for approval to ensure our upcoming election of new Board of Directors officers is consistent with the requirements of the bylaws.
- Section 2.07 of the Bylaws currently states:
 - “The Board of Directors will be elected every two years at the November meeting of the organization and the new Board will assume their roles effective January 1 of the following year. Nominations will be offered at the September or other designated meeting by the Board and nominations will also be accepted from the floor. Nominees must confirm that they are willing to accept if they are present or in writing if they are not present. Nominees will be listed and the list distributed to Full Members via email at least two weeks prior to the November meeting. Only Full Members in good standing and at least 18 years old may hold office in the organization. A term for a Board Member is defined as two years. A Board Member can serve in the same position for no more than 5 years. The nominating committee will be the Board, unless a nominating committee is established by the Board of Directors.”

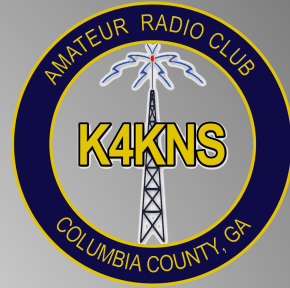

Bylaws Committee Update

- The proposed changes to Section 2.07 are as follows:
 - “The Board of Directors will be elected every two years at the November meeting of the organization and the new Board will assume their roles effective January 1 of the following year. Nominations will be offered at the September or other designated meeting by the Board and nominations will also be accepted from the floor. Nominees must confirm that they are willing to accept if they are present or in writing if they are not present. Nominees will be listed and the list distributed to Full Members via email at least two weeks prior to the November meeting. Only Full Members in good standing and at least 18 years old may hold office in the organization. A term for a Board Member is defined as two years. A Board Member can serve in the same position for no more than 5 **consecutive** years. ~~The nominating committee will be the Board, unless a nominating committee is established by the Board of Directors~~ **The nomination process will be determined by the Bylaws Committee Director / Co-Directors.**”

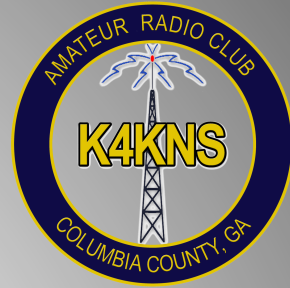

- This serves as the second reading of the proposed bylaws change. We invite your comments and feedback.
- A vote to accept the bylaws changes proposed is now needed.
